

# FINANCIAL AID AGREEMENT

Between

**THE INSTITUTE FOR FIELD RESEARCH**

and

Name of Student: \_\_\_\_\_

This agreement is between the **Institute for Field Research** (“IFR”) and \_\_\_\_\_ (“the student”). This agreement relates to the student participation in the \_\_\_\_\_ field school program beginning on \_\_\_\_\_ and ending on \_\_\_\_\_. The IFR recognizes that the student applied for financial aid at his/her home institution to finance participation in the above mentioned field school. The IFR further recognizes that financial aid dispersions usually take place only 10 days prior to beginning of the field school. As a result, the IFR agrees to postpone the tuition payment deadline from the date published on our website and all printed materials to five (5) days prior to the field school beginning date.

The student recognizes that this agreement is not *en lieu* of payment of the deposit fee. This agreement will become valid only after such deposit fee will be sent to the IFR and payment will be processed and cleared. The student further recognizes that the spot secured for him/her in the field school may have been awarded to another student and that spots in each field schools are limited and that expenses associated with students attending each program are paid for well in advance of field school beginning. As a result of this agreement, the IFR will forward the student expenses on his/her behalf to local providers, vendors and field school staff members with the absolute belief and complete anticipation that the student will pay his/her full tuition costs prior to the beginning of the field school.

Accepting this agreement will legally commit the student to pay the full tuition costs for the field school, regardless whether he/she will attend. Failure to pay the field school tuition by five (5) days prior to program beginning will result with a \$50 per day Late Fee accruing in addition to the full tuition. Further, failure to pay full tuition on the designated date will result with student removal from the field school and he/she will not be able to participate in the program even if he/she will be present at the location of the field school for its beginning and/or its duration.

INTENDING TO BE LEGALLY BOUNDED, I have knowingly, voluntarily and willingly executed this Agreement on \_\_\_\_\_, \_\_\_\_\_ of \_\_\_\_\_.
